

KIWER ENVIRONMENT SUSTAINABILITY POLICY

KIWER is committed to minimizing its environmental impact and contributing to a sustainable future. This Environmental Sustainability Policy outlines our dedication to responsible environmental practices and our commitment to continually improve our sustainability performance.

Policy Statement:

1. Compliance with Environmental Laws:
 - KIWER will comply with all applicable environmental laws and regulations in Kosovo and other jurisdictions where the company operates.
2. Resource Efficiency:
 - We will strive to minimize resource consumption, including energy, water, and materials, by implementing efficient practices and embracing sustainable technologies.
3. Waste Reduction:
 - KIWER will work to reduce waste generation and promote recycling and reuse initiatives within our offices. Responsible disposal methods will be employed for waste that cannot be recycled.
4. Carbon Footprint Reduction:
 - We will measure and monitor our carbon footprint and implement measures to reduce greenhouse gas emissions, including adopting energy-efficient technologies and promoting sustainable transportation options.
5. Green Procurement:
 - Whenever possible, KIWER will prioritize environmentally friendly products and services in our procurement processes. This includes considering the environmental impact of products and services from suppliers.
6. Environmental Awareness and Training:
 - Employees will receive training on environmental sustainability practices and will be encouraged to adopt eco-friendly habits both in the workplace and in their personal lives.
7. Biodiversity Conservation:
 - KIWER recognizes the importance of biodiversity and will endeavor to protect and enhance biodiversity in areas where the company operates.
8. Stakeholder Engagement:

- We will engage with our stakeholders, including clients, suppliers, and the community, to foster a collaborative approach to environmental sustainability and share best practices.

9. Continuous Improvement:

- KIWER is committed to continually improving its environmental performance. We will set measurable targets, regularly review progress, and adapt our practices to align with evolving sustainability standards.

Communication:

- KIWER will communicate its environmental sustainability goals, achievements, and challenges transparently to internal and external stakeholders through various channels.

Review and Revision:

- This policy will be reviewed annually or more frequently as needed to ensure its continued relevance and effectiveness.

Review and Approval:

This Environmental Sustainability Policy has been reviewed and approved by the leadership team of KIWER.
